

Reining, founded in 1925, is a dynamic company with offices in Kolham (NL), Bunde (D), Brügger Bracht (D) and Budapest (H). Our business is internationally oriented, with a focus on Benelux, Germany, France, Switzerland, and the Northern part of Italy. Every day over 330 Reining trucks are on the road to deliver our customers' products. Reining is growing. Our office in Kolham (NL) or Brügger Bracht (D) has a (full time) vacancy for the position of:

Follow up planner (M/F)

(Russian/Serbian/Bulgarian/Ukrainian speaking/writing)

The job

As an Follow up Planner you contribute to an efficient transport planning by being the link between what happens on the road and the Operational department. You keep track of an accurate administration and you play an important role in the structuring of the working life of our drivers.

Responsibilities

- Providing the driver essential instructions and information
- Checking the route in terms of efficiency and for possible obstacles along the way, etc
- Inform and update the order planning and customer service department on operational issues
- Managing the daily operational schedule for the driver in terms of driving/working hours and required rest time
- Taking care of the administrative processes in our TMS

Profile

You have preferably completed MBO (post-secondary vocational) education in Transport and Logistics. Knowledge of EU regulations on driving hours, breaks and rest is essential. And experience in a similar position and affinity with logistics is an advantage. You speak and write English and/or German and one of the following languages: Bulgarian, Serbian Ukrainian or Russian

We offer

A challenging job within a reliable company that is known for its proactive approach. We pay a decent salary and guarantee excellent working conditions based on knowledge and experience.
