

**We are looking for professional drivers M / F who would like to work in the international field.**

We offer a responsible work in an attractive environment with committed colleagues. You drive our Jumbo articulated train in international long-distance traffic. They work in Germany, Switzerland, Italy, the Netherlands, Belgium and France. You can expect vehicles of the brands DAF, Mercedes and MAN. All trucks have state-of-the-art assistance systems as well as parking air conditioning and parking heater. Location in agreement Ruhrgebiet / border Netherlands.

What do you need? The driving license class CE as well as a the driver card. Furthermore, you have to have the code "95" valid which is found as the driver qualifications card. As "ambassadors" of our company you have good manners. We expect friendliness towards customers and colleagues. Reliability, punctuality and flexibility are also expected. You must know the driving rule and able to calculate the rest periods. German and English skills are required.

Reining Transport GMBH is an independent, solvent and expanding company of Reining Transport BV. Reining has over 300 Jumbo articulated trains with a capacity of 38 Euro pallet spaces. All vehicles are equipped with sliding tarpaulins and suitable for the transport of packaged goods. The special feature of our vehicles is that they are equipped with a lifting roof, whereby the inner height of the vehicle can be increased during the loading process. As a result, the entire interior height of three meters can be fully utilized, allowing for quick and damage-free loading and unloading. The vehicles comply with the highest safety standards in terms of load securing and are TÜV XL certified. All vehicles comply with the Euro 6 standard.
